*Now put this on your noticeboard,
fridge, phone or garage wall,
go to as many events as you can,
and enjoy yourself!*

The Austin Seven Clubs' Association

Calendar of Events

2012

Thank you to the Club Secretaries who have sent me, by real post, the dates which follow, to make up the 2012, 90th Anniversary of The Austin Seven, Calendar of Events. The full details of these events can be learnt from the respective Club's secretary whose contact details appear in the back pages of your Association Magazine.

This little motor car has made a truly huge contribution to motoring all over the world. There can be very few places on the planet that have not been traversed on its spindly wheels, and major journeys are still planned and undertaken. Several large and prestigious firms owe their motor cars' ancestry to it - BMW and the Jeep spring to mind. Even in a modern world, it still offers practical and competitive motoring.

But what is truly amazing is the international friendship and camaraderie that it has engendered, and continues to do. Whether among owners who started with Sevens and moved to other marques, or those who still cherish their baby chariots, that transcontinental friendship derived from a common interest is still spreading.

Pause as you read this, and reflect that bands of enthusiasts early on appreciated the little car's significance. The 750 MC was founded around the time production was ending, and then 50 years ago this year, held the first National Austin Seven Rally at Beaulieu. The Pre-War Austin 7 Club also celebrates its 50th Anniversary. And this year is the 75th Anniversary of the arrival of the Austin Big Seven, too.

As you celebrate, remember with appreciation and thanks the man who had the foresight and courage to try something different in the motoring world of 1922, and with his innovative draughtsman brought, and still brings, such delight, pleasure, fun, achievement and companionship to so many generations around the world.

Thank you, Sir Herbert, Stanley Edge, and all the staff who worked at The Austin. The wheels still freely turn and your legacy lives on. Long may it do so.

Happy motoring, and a momentous 2012 to you all.

Bernard Griffiths
Events and Projects Co-ordinator

March

| | | |
|------------------|---|------------------|
| 4 th | March Meander | 750 N. Herts C. |
